OTHER STUFF

PICK UP

Please remember to dress your kids in the preschool room during pick up. Both toddlers and preschoolers will be using this room to get ready to go home.

Parents, please leave your wet footwear in the hallway before entering the classrooms so we can keep our floors dry.

A big thank you to Kristina (Talia's mom) for donating mats for our hallways!

SNOW DAYS

There may be days the school needs to close due to weather. As a general rule, if local school buses are canceled, the school will be closed. However, the Director and the Co-Presidents will make the final decision.

If the weather appears poor, please call the school. An updated message will be available by 8am on the answering machine.

Hopefully, we won't be seeing any snow days too soon!

BENCH TO DONATE

We are looking for another small, kid size bench that is similar to the one we already have in the hallway. If you have one you would be willing to donate, please let Lois know.

PROGRAMMING

It has been so wonderful to hear about all the new intergenerational programming from Lois' email updates. The kids and residents are really enjoying themselves.

If you have any questions or concerns regarding the programming, please feel free to email Lois directly (director@adnschool.com) via email. She is more than happy to address any questions or concerns.
