

We have partnered with C.C.Farms this year for our holiday fundraiser.

C.C. FARMS

evergreen Christmas products since 1997. We specialize in fresh wreaths and planters. We make everything fresh and made to order. Nothing is prepared ahead of time. We have found that there was a great partnership for our products to be used for a fundraiser for school and hockey teams and other organizations.

What we make are fresh live wreaths and planters. Our wreaths are made with a base of greens, spruce, white cedar and pine. We decorate the wreaths with either sumac or ilex (Ontario Holly). The size of the ring is either 12' or 18" and the wreath finishes out to 20" or 24" wide and a thickness of about 5" deep. Our planters are made in a plastic 2 gallon pot. They fit well into urns. They come with a variety of spruce,

white cedar, white pine, and red pine (Scotch pine) decorated with sumac, ilex (Ontario Holly), and dog wood (tall red sticks) in the center.

Because everything is cut and made fresh these products will stay green outside until spring.

All orders are due by: **November 17, 2017**

Delivery date:

Wreaths and planters will be delivered December 5 to ADNS.
